Notes

Come and take a tour of this well maintained neat and clean building on 3rd Ave. in Jasper. Features include 2900 Sq.Ft., 2 restrooms, a lounge area, a large waiting room, newer roof, carpeting and furnace and air conditioning. All rooms have a window. This building is in a highly visible location near a shopping mall and two banks and is currently a doctors office but would be great for many businesses. The building sits on a large lot and there may be room for expansion of the building if needed.
